

Mr. AAKASH POKHERAL

E-mail: aakash@physics.com.np

Degree: Masters of Science (Physics)

Name of the University: Tribhuvan University

Specialization: Non-Linear Dynamics, Econophysics, Atmospheric Physics

Research Interest: Non-linear Dynamics, AMO physics, Analytical Optics

Ongoing Thesis/Project:

1. The study on C-C transfer energy of carbon nano tube
2. A case study on the effect of radiation around Maitighar area

Students' Thesis/Project Work:

1. A Study on Change in Carbon to Carbon Transfer Energy in Graphene and its Electrical Property
2. The study of Photo-Voltaic module and effect on its efficiency
