

Mr. Kiran Pudasainee

E-mail: kpudasainee99@gmail.com

Degree: Master in Physics (M.Sc.)

Name of the University: Tribhuvan University

Specialization: Electronics

Research Interest: Computational Study of Quantum and Bio-Medical Physics.

Publications:

1. Ongoing Thesis/project: Best on Computational Study of Quantum and Bio-Medical Physics for Master and Bachelor's level students.

Students' Thesis/Project Work:

1. Arrangement of photosynthesis pigments and co-factors in purple bacteria reaction center in the periphery of special pair of
